COMAPNY**

JOURNEY BEGINS

Mr. Naveed Mirza started his professional journey in 1993 by providing services to different local & global organizations. His journey started from Pakistan and expended to the Middle East region.

1993-2018

Over 25 years of experience in sales, marketing, and research fieldwork with multinational brands like AcNielsen, Oasis international, BFGoodrich & Haier Pakistan from ground level strategy, planning, and training teams to the execution of planned work and obtaining desired results.

OUR SUCCESS

Our objective is to provide a guarantee Return on Investment (ROI) that you did on your digital marketing investment through increased exposure, which equates to increased traffic and sales. Our team thrives from the challenging and changing environment in the Digital sector. We only take one client per niche of the industry, focusing 100% on their success in the relevant online market.

VOLTAGE
A DIGITAL MARKETING COMPANY

Who are we?

Voltage is a digital marketing company that delivers work that fits within or above the accepted digital marketing standards. We don't believe in shortcuts rather work for long-term ROI. It is easy to do business with us. Our services-based company model allows clients to pick the services they want.

Why work with us?

- We listen and guide our clients
- We agree to the requirements of the client
- We design, develop and execute
- Business experience and ROI decided
- Dedicated account manager
- On-staff experts in marketing, design, automation & development
- Clear and concise reporting platform

A blue-tinted background image showing a business meeting. Several people are gathered around a table, looking at and pointing to various financial documents. The documents contain bar charts, pie charts, and tables of data. One document is clearly labeled 'FINANCIAL' and another 'MARKETING'. A laptop is visible on the left side of the table. The overall scene conveys a professional and collaborative business environment.

Thank You
